Missouri Association for Jazz Education

Membership Meeting MMEA Conference January 30, 2009

Tim Aubuchon called the meeting to order at 8:55 AM.

Jim Widner gave an overview of the new Jazz Education Network (JEN) organization. Mary Jo Papich is the president and Lou Fischer is vice-president. The JazzEd journal is the official publication of JEN. The website is: www.JazzEDNet.org. They are planning for a conference in 2010 and hope to have it somewhere in the mid-west, such as Kansas City, St. Louis, or Chicago. There are different levels of membership, each with its own types of benefits. You can find all the information on their website.

Tim Aubuchon moved that our organization, MOAJE, become an affiliate member for \$25, then each member of MOAJE can join JEN if they want and choose which ever level they wish.

There was discussion about having MOAJE student chapters, fees for student members and what kind of benefits they would receive. Also, standardizing the corporate member rates was discussed.

We decided to maintain the commission for the All-State Jazz Band auditions and performance.

An outreach program was discussed, such as a weekend combo clinic like in the past.

We also discussed having colleges, universities, music stores, businesses, etc. advertise for a fee on our website. A possible reciprocal link to other websites was also discussed.

Meeting was adjourned at 9:45 AM.

Respectfully Submitted,

Lori
